Elves Around the World 4

Track 4 1:52

We're Elves around the world,
Santa's little helpers
Elves around the world,
Making Christmas toys.

We can't wait to see what you'll get under the tree.
When Santa comes Christmas Eve, we'll believe
you'll find a train, a doll, a game.

We're Elves around the world,
Santa's little helpers.
Elves around the world,
Making Christmas toys.

Dance

We're Elves around the world,
Santa's little helpers.
Elves around the world,
Spreading Christmas cheer.

We sing happily as we dance around the tree.
Just a hop, skip and jump and before you know
It Christmas will be here.

We're Elves around the world,
Santa's little helpers.
Elves around the world,
Spreading Christmas cheer.

Dance

We're Elves around the world,
Santa's little helpers.
Elves around the world.
We're Elves around the world.

Jingle
Wow, that was fun.

Peeps
Sure was whenever they laugh and clap, it makes me feel like I just drank hot cocoa. With marshmallows. Hee, hee.

Snoops
I know, I know, but remember Santa Claus has sent us out on an important mission to find our friend Christopher Pop-in-kins.

Peeps

Jumpin candy canes, I forgot.

Jingle

Remember, he is supposed to start training us to help him out because there are so many good boys and girls in the world that need to visiting during Christmas time.

Peeps

Yeah. See he's the Elf we all want to be like, and we have searched high and low for him, but nothing.

Snoops

And don't forget. I heard a rumour around the toy shop that Santa may even come down from the North pole to see how we're doing.

Peeps

Santa's coming here.

Snoops

Yup.

Jingle

Oh this is such an important important mission, we just can't mess it up.

Peeps

But the world is too big for just us three to handle.

Snoops

We'll let's put our heads together and think.

(All three elves do the old vaudeville think bit.)

Jingles

I got it.

Peeps

I got it.

Snoops

I got it.

All three

We got it.

Snoops

We are gonna need everyone's help to find Christopher. Hey everyone, do you all want to go on an adventure? Yeah? Well, let's be on our way.

Come on our adventure, it's one you won't forget,
It happens every Christmas, it's our elf adventure.
When we finish with the toys and we done our best.
Santa sends us to the world on his Elf Express.

Come along together, let's fly across the sky.
We can't wait to get there, on our elf adventure.

We'll play hide and seek with you and we'll do our best.
To move around without a sound, just put us to the test.

Oh, come on everybody, just you wait and see.
What happens when we get there on our elf adventure.

Dance Break

In the blink of an eye, we can be right there.
Whirling, swirling, in our sleigh soaring through the air.

(1:00)

Snoops

I don't know about you all but I don't think we are going have any trouble finding Christopher
Pop-in-Kins with all of you helping us.

Jingle

Yeah with all of you on the lookout he shouldn't be too hard to find.

Peeps

You just have to make sure they look high and low...

Snoops

...and all around.

Jingle

Yeah high and low...

(all elves)

...and all around.

(This gets created into a conga line going up and down the aisle three or four times.)

Jingle

Do you think you can do that everyone. *(Indicate audience should respond)*

Snoops

What we can't hear you?

Peeps

Wow, they're loud. Hey, I been thinking maybe after they help us find Christopher Pop-in-kins, Santa Claus will let us bring them up to North pole to visit.

Jingle

Maybe, they could even help us make some toys.

ALL Elves agree.

Snoops

Yeah, but that means they need to know what we do.

Jingles

And how we do it.

Snoops

Being an elf is not for the faint of heart.

Jingles

You have to courteous and kind.

Snoops

And work hard and do what Santa asks.

Peeps

Aw, I bet they already do that for their mom and Dad. So it should be as easy for them as filling a stocking with toys.

Snoops

Yeah, your right.

Jingles

Let's tell 'em what we do.

We Are Santa's Elves. 5

Track 5 1:17

Jingle

So if they help us find Christopher Pop-in-kins and Santa lets them come up we still got a problem.

Snoops

What problem?

Jingle

What problem?

Peeps

You don't mean?

All Elves

Oh we forgot.

Jingle

We can't take them up by sleigh.

Peeps

You're right that's only for Santa and special elves.

Snoops

Like Christopher Pop-in-kins.

Jingle

We can't sprinkle them with Elf dust.

Snoops

We can't send them up the chimney.

Peeps

Well for Santa sake let's put our heads together and think.

(They put their heads together and hit them and react with an ouch. Then they go into a thinking bit where they think they have the answer three times. The first two times they don't the third time they all yell, "A-hah" and scare Zippy)

All Elves (except Peeps)

A-hah
Eureka
I got it.

Peeps
Ahhhhhh.

Jingle
We take them on the Elf Express.

Snoops
That's a great idea.

Peeps
